## **PLEASE TAKE A MOMENT TO READ...**

**We all know the African Proverb: It takes a Village to raise a Child” and we know how difficult these times are, but all of our children still need us. Not just your children, not just mine, but theirs too; therefore, all of OURS.**

**Let’s use this time to bring back the basics and rebuild the true meaning of “UMOJA’ means UNITY. I cannot do this alone. Our kids need each and every one of us to contribute to and leave for them a future that is promising.**

**Take some time out of your busy schedule to help create a foundation for our children that will leave them with HOPE, Build Character, regain FAITH, and to Dream BIG.**

**We will be honoring those staff members and students that TRULY exemplified commitment and loyalty during our end of the year celebration.**

**Please join us as we recognize them; following with a meeting to discuss who will be interested in joining a world class youth program.**

**We are looking for: Vice Chair, Committee Chair, Board Members, Secretary, and Treasurer- what change do you want to see?**
